

# Expand your savings with Lexmark's Toner Advantage Program

## What is the Lexmark Toner Advantage Program?

Designed to stretch your dollar, the Toner Advantage Program offers you special discounts on Lexmark supplies. In addition to the proven reliability and performance of Lexmark printers, Lexmark is helping create long-term savings for program participants.

When you buy the Lexmark EG460dn and TG654n monochrome printers, Lexmark will offer unique benefits. You will gain special access to the toner cartridges offered on these products and be able to lower your overall cost of printing.

## What are the advantages to you?

- 10% instant discount on supplies
- Three year price guarantee on supplies
- Easy ordering with quick delivery and product availability
- Lower total cost of ownership offering
- One stop shopping for printers and cartridges
